

Band-Aid Brand Tru-Stay Sheer Strips Adhesive Bandages for First Aid and Wound Care, All One Size, 80 ct Review-2021

[Read Customer Reviews](#)

80-count box of Band-Aid Brand Tru-Stay Sheer Strips Adhesive Bandages to help minor cuts and scrapes heal.

These sterile bandages are sheer in appearance

The Microvent backing of these sheer bandages provides superior breathability.

Unique Hurt-Free Pad on these Band-Aid Brand bandages won't stick to the wound, allowing for gentle removal

Each bandage is made with a Quilt-Aid pad that is designed to cushion painful wounds while you heal. BAND-AID Brand Adhesive Bandages Comfort Sheer

BAND-AID Brand Adhesive Bandages Comfort Sheer are designed to be more flexible than ordinary plastic bandages. This design helps them to stay in place while they cover and protect minor wounds. These bandages feature a Quiltvent Pad with air channels and Microvent backing for superior breathability. The pad wicks away blood to keep the wound clean and is nonstick for comfortable removal.

Heals The Hurt Faster

A covered wound heals faster than an uncovered one.* BAND-AID Brand Adhesive Bandages have a non-stick Hurt-Free Pad that won't stick to the wound for gentle removal.

Clean, Treat, Protect

When you or a loved one has a minor injury, you want it to heal as quickly as possible. Minor cuts and scrapes can become contaminated with dirt and germs, which may cause infection and delay healing. That's why BAND-AID Brand of Adhesive Bandages recommends an easy-to-follow 3-step process. Clean, treat, and protect your wounds to avoid infection and promote healing.

At a Glance:

With Quiltvent Pad for superior breathability

Sheer, flexible design

Non-stick Hurt-Free Pad that won't stick to the wound for gentle removal

Step 1: Clean

Cleaning a wound is the first step to a quick and proper recovery. To complete this step, clean the affected area using a mild soap and saline water and Neosporin First Aid Antiseptic Foaming Liquid for Kids. Blot dry with a sterile BAND-AID Brand of First Aid Products Mirabsorb Gauze Sponge.

Step 2: Treat

Once the affected area is cleaned, continue to the second step of the regimen, treatment. Treat the wound with Neosporin + Pain, Itch, Scar ointment to help prevent infection and aid in the relief of pain or discomfort in minor cuts, scrapes, and burns.

Step 3: Protect

After treating the affected area, protect the wound until it is completely healed with a BAND-AID Brand Adhesive Bandage like a Comfort Sheer Adhesive Bandage.

About BAND-AID Brand Adhesive Bandages

BAND-AID Brand Adhesive Bandages have long been a staple in a family's first-aid kit as a source of comfort and protection. Today BAND-AID Brand Adhesive Bandages are America's #1 Bandage Brand!** In a world full of cuts, scrapes and blisters it seems hard to imagine life without those little adhesive bandages. BAND-AID Brand Adhesive Bandages has moved from being strictly a bandage to becoming a brand that offers a wide variety of products to meet the diverse needs of today's active families and their lifestyles. From 1920 to today, we've stuck with you through the years and hope our products inspire you to express yourself. Our mission is to cover all your wound-protection needs in a fun and stylish way.
