Hook and Eye closure

SLIM YOUR ARMS & BACK. The upper arm shaper gives strong compression on your arms and back, smooths and tights bumps and bulges, reduce arm and back flab, hide your back rolls, give you a slimmer figure.

WORK AS POSTURE CORRECTOR. This slimming shapewear for women firm compression of upper flabby arms, pulls shoulders back for great posture, improve your posture and humpback, makes you more and more confident.

PUSH UP & GATHER YOUR BREAST. Our body shaper adds U-shape design to help you prevent your chest droop and gather the breast effectively, avoid breast compression while adding a mild push-up effect and improving posture.

SEAMLESS MATERIAL & 3 HOOKS IN FRONT. This black arm shaper sleeve is made with silky, soft, high elastic material, tight fit is seamless invisible under clothing and make you feel comfortable. With 3 adjustable hooks, you can easy to wear and adjust it for a snug fit at all times.

THREE QUARTER SLEEVES DESIGNED. The post surgical compression vest designs for long sleeve with spliced elastic lace, the garment shirt won't roll up and create bugle or squeeze the fat near your elbow, make you comfort. Good for arm surgery elbow up and arm liposuction surgery recovery. Brabic Women Upper Arm Shaper Compression Long Sleeves Slimming Crop Tops

Shapewear Vest Posture Corrector Body shaper
