Your New Uniform

Coal beanies are made with premium knits and materials, and with unique attention to fit and function.

The Frena is a classic winter hat that can be worn cuffed or unfolded and slouchy, made from a super soft thick knit with lots of stretch for a great fit. Offered in a rainbow of solid, heathered, and striped colors, The Frena is a time-tested favorite of winter sports and outdoor enthusiasts for its warmth and versatility.
