

Divinity: Original Sin 2 - PlayStation 4 Definitive Edition Review-2021

[Read Customer Reviews](#)

Go anywhere, talk to anyone, and interact with everything! Kill any NPC without sacrificing your progress, and speak to every animal. Even ghosts might be hiding a secret or two!

Blast your opponents with elemental combinations. Use height to your advantage. Master over 200 skills in 12 skill schools.

Play with your friends online (up to 4 players) or in local split-screen with drop-in/drop-out multiplayer. PvP hot-seat mode: Battle your friends in round-robin, hero to hero!

Story mode: A new difficulty setting for players who wish to enjoy the lauded narrative, but still want to enjoy the combat.

An entirely re-written journal to catalogue your journey and reflect on your quests. Character romance, disagreements, and unique quest-lines pushing the boundaries between fellowship and feud!
