

Fairfield CCDF10 Poly-Fil Crafter's Choice Dry Packing Fiber Fill 10 Ounce Bag Review-2021

This polyester fiberfill has not been treated with silicone so the fiber has a coarse texture that packs firmly, allowing you to stuff it into small spaces with a stuffing tool without the fiber "popping" out of place.

A coarse dry fiber that stays in place.

Easy to pack in small spaces Non-allergenic. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
