SIZE: Fits for hips [S] 36-37" [M] 38-39" [L] 40-41" [XL] 42-43" [XXL] 44-45".

COMFORTABLE AND BREATHABLE FABRIC: 95% Rayon, 5% Spandex. This material is lightweight but not see through. And itâ€™ll still fit after the baby weight is lost because of its loose and stretchable material.

SLIGHT PRESSURE ON BELLY: Due to its stretchy material and over the belly design, they're super comfy and won't put too much pressure on your abdomen even for new mums who get C-section and don't want pants that are going to be on the incision site.

GOOD FOR EVERY TRIMESTER: Suitable for all trimesters because there is plenty of room to grow your bump and the legs are baggy.

VERSATILE OCCASIONS: Nice to match with a pretty blouse or a casual T-shirt. Perfect for yoga, exercise, daily activity and work out.
