Built-In Bronze Brush

A one pass solution, BoreSnake uses an integrated bronze brush to scrub out carbon fouling, while the tail clears the barrel of loose debris with a surface area 160x larger than a standard patch.

A BoreSnake for Any Firearm

No matter the firearm, there is a BoreSnake that will clean it. Find your size with multiple options of BoreSnakes to choose from.

The Original, Fastest Bore Cleaner

Cut out the hassle of rods and patches with Hoppe's BoreSnake. Easily clean your firearm with the BoreSnake by dropping the weighted end into your barrel and pulling the snake through, leaving your barrel clean and smooth.

Hoppe's Unboxed

Hoppe's BoreSnake Storage Den T-Handle

Hoppe's BoreSnake Den is a compact carrying case with a built in handle for easy storage between firearm cleanings. It conveniently fits in a range bag or backpack to protect your BoreSnake brushes during transport.

T-Handle

The lid of the BoreSnake Den doubles as a convenient T-Handle that snaps into the clear case for storage. No more wrapping the string around your hand. Simply grab the handle and swiftly pull through for a quick and easy clean.
