

# Learning Resources Create-a-Space Storage Center, Homeschool Storage, Fits 3oz Hand Sanitizer Bottles, Bright Colors, Classroom Craft Keeper, 10 Piece set Review-2021

[Read Customer Reviews](#)

**DESK STORAGE:** All-in-one storage center features all the space you need to keep your classroom, playroom or office clutter free.

**MULTIFUNCTIONAL SPACE SAVER:** Carousel-style storage center comes with eight removable containers sized for glue sticks, colored pencils, and more.

**GRAB & GO:** Each removable container comes with an easy-to-hold handle, so you can always grab the materials you need.

**PROMOTE CLEANLINESS & ORGANIZATION:** Big enough to hold your kids' supplies, or hand sanitizer bottles for germ free hands. Each container measures 4.5" wide x 4" tall.

**DURABLE & HIGH QUALITY:** Containers rest within a sturdy circular tray complete with center storage space. Tray measures 12" in diameter

Create-a-Space Storage Center  
Add a splash of color to your organizational schemes with the Create-a-Space Storage Center from Learning Resources!

**Versatile Storage!**

Each of the center's 10 generously sized removable containers holds all kinds of supplies, from glue sticks and markers to scissors, craft supplies, and more!

**Classrooms, Offices, and More!**

With their handy carousel-style design, these storage centers are equally at home in classrooms, offices, and makerspaces!

**Five Color Options!**

Celebrate the rainbow with the classic Create-a-Space, or choose from blue, white, grey, and pastel versions!

**Building Someone Amazing**

When the toy you choose is from Learning Resources, you're helping your child build who they will become - whether an architect, an A student, or just an all-around awesome kid!
