Comfortable Ergonomic Design

We truly understand your demands of a comfortable mouse, so we have designed a cute mouse with ergonomic design, it fits comfortable in your hand and you won't feel any wrist pain even with a whole day use

ON/OFF Switch & Auto Sleep

This mouse uses 650mAh rechargeable battery, a single charge would last a whole week(with led lights on). There is a on/off power switch on the bottom, so that you can turn it off to save power when it's not in use. The mouse also goes to sleep itself within 3 minutes of inactivity. There is also a low power indicator tells you that you need to charge the mouse

Ultra Quiet Click

Unlike other mice, this Seenda wireless mouse reduces click noise up to 90% while enjoying the same click feel. Scrolling sound level is also reduced, you can hardly hear any noise when scrolling the wheel up and down. Get this silent mouse and keep you focused at home, office, school, or library

Compact Size

This mouse is ultra small and compact, it is light and portable enough for you to pack up in your school bag, business bag or even in your pocket. The light up feature also adds more fun throughout your day

3 Adjustable DPI

With upgraded high sensor, This Seenda wireless mouse features 3 levels adjustable DPI:800/1200/1600, which greatly meets your daily demands.

Light Up Wireless Mouse

Unlike most wireless mouse, this Seenda mouse has 15 different led lights, you can easily switch the led colors with the bottom button. Perfect for kids students girls boys and any people that need a USB wireless mouse Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
