

MUDDER Stainless Steel s Finger Sizer Measuring Ring Tool, Size 1-13 with Half Size, 27 Pcs Review-2021

[Read Customer Reviews](#)

Ring size increments are clearly marked on each ring, easy to use and measure your ring size correctly

Easy to Separate - The sizes are stamped on the stem of each ring and come on a flexible cable with a screw connection for you to open if needed

Made of Stainless Iron Material -Durable and ensures long term application without rusting

Ring Sizer has 27 Sizes - Each ring is laser engraved with USA Sizes 1-13 including 1/2 half size increments. This measures child fingers to largest fingers Our founders created Mudder to symbolize the desire to tackle and embrace touch obstacles in life. With this in mind, our team dedicates energy and initiative to tackle challenges in the industry every day. Our set of ring sizers are made to precisely measure your finger ring size. Whether it is online shopping or DIY crafts, it is a handy tool to keep.

Comprehensive Sizes - Includes Half Sizes

Our ring measuring tool sizer has 27 sizes in total - Each ring is laser engraved with USA Sizes 1-13 including 1/2 half size increments. Our range measures child fingers to largest fingers.

Detachable Hook

Our sizers are fully detachable. Detach the sizes you need, enjoy the convenience of bringing only what you need.

Stainless Steel material is used for all our ring gauges sizing tools. The color does not oxidize and material is durable and sturdy enough to last a lifetime.
