Main Features

Brighter Than Expected

Spot and flood beams provide long distance illumination and clear visibility in the darkness.

Heat dissipation

High quality cooling fans and Die-casting Aluminum housing make the heat disappear quickly.

Multiple Waterproof Protections

With waterproof soft strip, silicone seal and waterproof rubber pad, the light bar can be protected from water efficiently.

Adjustable Bracket

Adjustable mounting bracket makes changing direction of light beam easily.

Application

Off Road Vehicle Lighting

The LED light can be widely applied to Jeeps, 4x4, ATV, UTV, SUV, Truck, Cars, Pick-up, Van, Camper, Road Buggy, Sand Rail, Trains, Bus, Tanks, etc. Super bright light beam dispels the darkness and lights up the forward road, clear view area for safety driving.

Boat Lighting

This LED light can be installed on boat, yacht, skiff, freighter and ship to enhance the illuminating brightness of voyage. The LED light is efficiently waterproof, dust proof and anti-corrosive. Super bright view area, see clearly at night, excellent visual effect.

Equipment Lighting

It is suitable for Trailer, Forklift, Excavator, Dozer, Road Roller, Crane, Tractor, Harvester, Grain Drill, Mower, Snowplow, Fire engine, Rescue Vehicle, Camping, Mining, Construction and other outdoor lighting. The amazingly bright light make you see the left and right clearly, ensuring working safety at night.

Household Lighting

You can also use the LED light bar for household lighting such as Garden, Backyard, Garage, and

2 Pcs

Indoor Lighting. Bright surrounding is very convenient for you to enjoy your fun time. (Note: Use a voltage transformer/converter to convert the AC 110-120V to DC 12V for indoor use.)

Our Brand

Longer Lifespan

The products have been passed through rigorous testing to ensure over 30,000 hours working lifespan under normal use.
