

Papercode 12 Strong Scratch-Free Refrigerator Magnet Clips for Kitchen, Office, or Organizing & Decorating – Stainless Steel Fridge Magnets - Bonus Magnetic Notepad Review-2021

[Read Customer Reviews](#)

DECORATE TO YOUR HEARTS CONTENT! Secure clips and sturdy magnets paves the perfect path for putting whatever you need up on the fridge -- no more raining pictures when closing the fridge door too hard, as everything will be strongly secured! Works great on whiteboards for the office or teachers.

NO MORE SCUFF MARKS: Includes surface protecting transparent stickers perfectly measured to prevent skid marks from metal edges and surprising dark residue on hands. Easily decorate without fear of leaving behind scratches -- we recommend to not slide the magnets.

SHATTERPROOF & REUSABLE: Drop these all you want and they won't break! These reusable magnets can hold store coupons, your favorite restaurant menus, cards & invitations, or the kid's schoolwork! It's also perfect for the office, back to school season, and upcoming holidays.

FREE MAGNETIC NOTEPAD: Contains 30 white sheets of paper, measuring 7cm x 7cm - perfect for leaving messages/reminders to your family, jotting down quick notes, or writing positive affirmations to start your day off right!

Our story

How we got our start?
Papercode was founded with the goal of creating an organizer unlike any other -- equal parts goal tracker, day planner, and notebook. In 2016, The Simple Elephant Planner was born. Since then we've gained a reputation for providing high quality planners, notebooks, and organization accessories.

What makes our product unique?

Touted by Bustle, Buzzfeed, and Elite Daily, Papercode products do more than just organize your schedule. They push your productivity and encourage you to meet your goals too! Whether you're planning a wedding or creating a vision board, Papercode will keep you on track to a neater and happier life.

Why we love what we do?

At Papercode we love to slay goals and get stuff done. We enjoy sharing that love with all of our customers, giving them the satisfaction that only comes from crossing things off a list. The icing on the cake? Knowing that our fridge magnets or all-in-one planners helped them do it.
