

Reef Men's Lthr Ortho Coast Sandal Review-2021

[Read Customer Reviews](#)

Rubber sole

ORTHOTIC SANDALS FOR MEN: Orthotic support meets Reef styling to give you all day support in a sandal developed by doctors and athlete performance specialists.

ARCH SUPPORT & HEEL CUPPING: Heel cupping provides stability and properly aligns the arch with ortho grade support in these ortho sandals for men.

SOFT FOOTBED: Shock absorbent cushion footbed to reduce impact under every step with a molded rubber outsole with flex groves for maximum movement and stability.

DURABLE FLIP FLOPS: Reef flip flops are made with a full grain leather strap that will last.

BEACH FREELY WITH REEF: We are encouraging people around the world to embrace the fun, freedom and spirit of the beach while living life by one simple rule: Beach Freely. Our products are designed to make you feel comfortable, relaxed and free in any environment, whether you're at the beach or not.
