

Renpure Coconut Cream Nourishing Conditioner, 32 Ounce  
Review-2021

**RENPURE COCONUT CREAM NOURISHING CONDITIONER:** Coconut cream is rich in vitamins, minerals and fats that are perfect for even the driest of hair. This rich, creamy, restorative formula says bye bye dry and hello shine.

**RENPURE ISN'T JUST SULFATE-FREE:** Our conditioners go beyond "sulfate free" and are plant-based for healthier hair from root to tip with superior shine, moisture and color retention Great for curly girls, and safe for color-treated hair.

**HAIR CARE THAT CARES:** From non-sulfate shampoos and conditioners that nourish and thicken hair, to styling products and treatments that restore with plant-based ingredients, Rempure is specially formulated to deliver the best care for your hair.

**RENPURE IS MADE FOR YOU:** We use gentle, plant-based cleansers with carefully chosen ingredients to create nourishing, safe formulas for all our hair and body care products.

**RENPURE QUALITY:** All of our hair & body care is plant-based & free from sulfates, parabens, dyes, gluten, phthalates, propylene glycol & bad vibes. We care for you as much as we care for our family & work to provide the best quality products we can. Originals Collection

The beginning of our Rempure journey started with a family just like yours, concerned about the environment and the exposure to harmful ingredients. Originals collection was launched to deliver a true zero statement, using simple, good-for-you ingredients at affordable prices for the whole family.

### About Rempure

We believe that whatever a chemical can do, a plant can do better. Rempure delivers gently-sourced ingredients that never promises performance. Naturally inspired products does not mean sacrificing performance. Replacing harmful ingredients with equally effective clean alternatives is what inspires us. Safe, affordable and effective products for the family that stays within budget.
