Our story

How we got our start?

TORRAS was founded in 2012. Back then, smartphones have already become a necessity in our daily life. We wanted phone case not just purely functional, but with a good design. So TORRAS was here. We focus on producing good-quality smart phone cases with simple yet timeless designs. What makes our product unique?

At TORRAS, we believe curiosity is the best designer. We keep exploring new ways to make products that could solve customers' current problems and connect them with the future. We also got great ideas from our customers! Tell us what you want and we might turn your ideas into real products.

Why we love what we do?

We love our life and we are crazy about creating products that make our life more wonderful. TORRAS has reached over 100 million users in more than 20 countries. We can't wait to provide our products to more customers around the world. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
