

VTER Cotton Face Breathing Mask - Breathable Comfort, Water Repellent, Fully Machine Washable - Pack of 5 - Washable Cotton Mask (White) Review-2021

[Read Customer Reviews](#)

PREMIUM MATERIAL - VTER pack of 5 face masks are made of high-quality knitted cotton fabric, the stitches are neat and firm, offering excellent permeability, soft texture, comfortable, safe for face skin and breathable.

COMFORTABLE DESIGN - Soft fabric is used for the ear cords which don't hurt ears even if worn for a long time. The simple design fits the contour combine with stretchable material makes it fit most of face sizes.

HEALTH PROTECTION - The mask uses a soft and stretchable fabric that helps adheres along the face, reduces the gap to block dust invasion. High grade 2 layers cloth made by knitted cotton has good breathability, easy breathing, and features such as windproof, sweat-absorbing and pollen, dust collection efficiency. Sweat absorbing helps prevent fogging up glasses without needing a valve filter.

REUSABLE MASK - VTER face mask made of 65% polyester and 35% cotton offering washable ability without damaging the mask's form. Most of the dust, pollen, air particles can be flushed out after washing with cold water and mask can use repeatedly up to 30 times.

MULTIPURPOSE and MULTI-FUNCTION: The dust face masks are designed for multiple purposes: running, cycling, woodworking, painting, gardening and other outdoor sports.
