## TPE

**ECO-FRIENDLY TPE MATERIAL** - Our Umineux yoga mat is made from TPE material, which is no PVC and irritating smell, as well as more soft, skin-friendly and light weight. Recyclable and avoid environmental pollution.

**DOUBLE NON-SLIP DESIGN** - This workout mat has double-sided non-slip surfaces. Wavy undersides make excellent traction on the floor. It unrolls pretty flat and stays put. Special textured surface prevents your hands and feet from sliding when you sweat on it.

**OPTIMUM THICKNESS YOGA MAT** - Size: 72inch x 24inch x 1/4inch. Because of its strong resilience force, this 6mm fitness mat offers the most comfortable experience for all levels.

Professional alignment lines help you to focus and adjust your positions, and keep the body in proper alignment.

**FREE CARRY STRAP & STORAGE BAG** - No need to go buy a yoga carrying strap and bag. Easy to carry your yoga mat around with.

**CARE INSTRUCTION** - Clean with damp cloth (cold water) or mild detergent, dry flat. Do not use a washing machine or dryer or exposed to the sun for extended periods of time. Yoga is one of the most popular fitness in the world. It is relaxing and promotes awareness. Regular yoga practice reduces stiffness and improves flexibility. What's more, people can practice yoga without the limitation of space. Home, garden, beach, offices and so on... As long as you have a yoga mat.
